Scenario: Andrea doesn't know how to get to the post office. She goes to a police officer to ask for directions.

Andrea: Excuse me. Can you tell me how to get to the post office?

Police officer: Sure. It's not far from here. Walk straight ahead until you get to Main Street.

Andrea: Sorry to interrupt you. How many blocks is that?

Police officer: It's about two or three blocks. It's the first traffic light you come to. When you get to Main Street, turn right and walk one block to Broadway. Then turn left and go about half a block.

Andrea: Which side of the street is it on?

Police Officer: Coming from this direction, it'll be on your right side. It's in the middle of the block,
